 **Delegate Feedback Team Events**

What They Say

After each course or development event, the delegates are invited to provide feedback using an evaluation form.

The following comments have been taken from the evaluation forms:

"Low pressure, fun day with relevant exercises emphasising the value of team working. Got to know new colleagues better and the roles they have."

"The day went well – sufficient variety, pace and learning points."

"A subtle blend of facilitation and leadership in specific actions to take forward for teambuilding and improved performance."

"I really liked the team working exercises, it really highlighted our weaknesses and also showed how we can take control when we want to do so."

"The timing of this event was difficult for me – but the content and delivery made the investment of time worthwhile."
